2008-09 School Year Approaching

It is almost time for school to start for the 2008-09 school year. I hope this summer edition of the Bronco Pride finds all families having a wonderful summer! Remember that school starts on August 21, 2008. Please find enclosed school supply lists for the various grade levels. If your student's list is not included, it will be provided during the first week of school.

The school has acquired a new portable AED and staff will be trained on its' use this summer. It is certainly hoped that this automatic defibrillator will never be used. Thank you to Mrs. Chaves for her hard work in bringing this device to our campus for the safety of our school community.

This past year an application was made to the state for emergency funding for school rehabilitation. It is my pleasure to announce that the school has been approved for over \$500,000 to do the work. This work will include new air conditioning and heating for rooms 1, 2 and 3, the cafeteria and the gymnasium. Included in the cafeteria work will be a renovation of the two bathrooms attached to it. We now must wait for the state budget to be approved and the money to be released. Hopefully, during second semester the work can begin!

After making several budget adjustments the FUNdamentals First After School Program will now be serving all grades at Olga Reed School. Additional personnel may be needed to maintain the 20:1 student/adult ratio required by the California Department of Education.

Enjoy the rest of your summer!
